Montreal, July 15, 2015 – Doc Circuit Montreal is proud to announce the fifth edition of the **One-on-One Pitches for Emerging Filmmakers** on **Wednesday, October 7, 2015**. Ten up-and-coming filmmakers will have the opportunity to meet ten established producers during a full-day event dedicated to documentary pitches. A networking and proposal activity, One-on-One Pitches for Emerging Filmmakers is designed to encourage the formation of new business partnerships and spark intergenerational discussions about the challenges, issues and changes facing the documentary industry. **Filmmakers interested in participating have until September 15, 2015 to submit a project.**
