

JOB OPENING **PARTNERSHIPS COORDINATOR**

Join a dynamic team with a passion for culture!

As the first Quebec festival entirely dedicated to documentaries, the Montreal International Documentary Festival (RIDM) presents the best reality-based films by both acclaimed filmmakers and promising new talents. Every year come November, the RIDM screens over 100 homegrown and international films, and hosts a plethora of parallel activities such as workshops, masterclasses, debates and roundtables. **The 26th edition of the RIDM will take place from November 16 to 26, 2022.**

Description

Working in tandem with several festival departments, **the Partnerships Coordinator** reports to the Director of Partnerships. This person is responsible for the development and establishment of various partnerships: institutional (consulates, embassies, cultural institutes), academic (university research chairs), media, etc. The selected candidate will be tasked with seeking out potential partners, strengthening ties with existing partners and coordinating the various steps involved in developing partnerships.

Primary duties

- Manage (solicitations, negotiations, agreements, visibility follow-ups, send-out of materials and favours, invoicing) funding and partnership requests with consulates, embassies, institutions, and universities as they relate to our programming axes (RIDM and RIDM Forum) as well as the participation of special guests;
- Participate in the design of parallel activities (discussions and roundtables): Logistics, coordination and sourcing of speakers. Write copy related to these activities;
- Participate in the development of our digital strategy to showcase partners;

- Contact and manage communications with Quebec production and distribution companies in order to plan special evening events and activities;
- Proofread various communications pieces when necessary (press releases, newsletters, etc.)
- Support the rollout of the festival schedule;
- Participate in the launch of the website;
- Participate in the proofreading of the website as well as any edits to be made in Zone Festival, as well as reviewing other promotional tools;
- Follow-up on partner-related communications during the production of publications (catalog and schedule);
- Participate in devising the press conference, and opening and closing night proceedings in collaboration with the communications and production teams;
- Track partner visibility features on social media, in print and at festival venues;
- Prepare technical workflows for various special events as well as on-site run-throughs;
- Any other related tasks.
