

TaCIC - Tremplin Territoires Grant

Application: from August, 6 to September 2, 2024

Forum RIDM, in partnership with [TaCIC](#), [franC doc](#), [Bande Sonimage](#), [Spira](#) and [Paraloeil](#), returns with the project development grant for emerging Quebec filmmakers.

The **TaCIC - Tremplin Territoires Grant** will support the development of a documentary project and provide guidance to the filmmaker throughout their creative process.

The application is open to emerging Quebec filmmakers with a short, mid-length or long-feature film.

ELIGIBILITY CRITERIA

- Canadian citizenship or permanent residency
- Residency in a Quebec region, outside the Montreal metropolitan area (at minimum of 80 km distance), for at least twelve months.
- To have directed* a **minimum of one short film** of any kind, with recognized professional distribution;
- To have directed a **maximum of one feature-film** of any kind;
- Not have directed a feature-film that was distributed professionally and/or a documentary that received funding from a public production assistance program (SODEC, Téléfilm, NFB).

**a scheduled screening in commercial theaters; a screening by a CRTC-licensed broadcaster; a presentation at a recognized festival, with a selective programming process; a screening on a CAVCO-recognized digital platform. Public screenings without a selective process, or screenings at events or in purely corporate, school or institutional contexts are not recognized as professional screenings.*

The recipient of the TaCIC - Tremplin Territoires Grant will benefit from:

- **Forum RIDM 2024 accreditation**, giving access to all professional market activities (excluding One-on-One Pitches), offered by **franC doc** ;
- Financial assistance of 500 \$ to support the production and development of the documentary project, offered by **franC doc** ;
- Financial assistance of 500 \$ to support the production and development of the documentary project, offered by **Bande Sonimage** ;
- Production and development advice to perfect the production of the documentary project, offered by **franC doc** (1 000 \$ value) ;
- Advice on creative filmmaking vision, offered by **Bande Sonimage** (1 000 \$ value)
- Advice on the best distribution strategies, offered by **Spira**, **Bande Sonimage** or **Paraloeil**, at the recipient's discretion (1 000 \$ value) ;
- Rental of filming equipment, access to post-production room and/or DCP encoding for a total value of 10 000 \$, available from one of the following partners : **Paraloeil**, **Spira** or **Bande Sonimage** ;
- Support and contact with all partners, to benefit from a network of support and resources to guide the documentary process, offered by **TaCIC**.

**This grant intended exclusively to support the development of the project submitted at the time of application and is valid for 36 months from the award date (November 27, 2024)*

HOW TO APPLY

All applications must be submitted via [the application form](#), including documents in PDF format:

- your letter of intent ;
- your curriculum vitae, including your filmography ;
- a short description of your project (3 pages max.).

The deadline for application is **September 2, 2024**.
